## Why Account Holders Should Trade Online:

PTI Securities & Futures encourages new account holders to experience the endless benefits of utilizing the PTI Online Trading System in addition to utilizing PTI's expert brokers via phone.

### > [Easy Online Set Up...](#)

Click on "Client Account Access" on PTI's homepage for prompts to set up your online access or contact **Matt Frankiewicz** at PTI Securities & Futures at **800.821.4968** if you have any questions.

### > [Investor Independence...](#)

Trade independently online with a few clicks of your mouse and receive e-mail confirmations of all your online trades. (Be sure to check out all of the customized features that online clients can take advantage of.)

### > [Lower Commissions...](#)

Online trades result in lower rates than broker-assisted trades, yet the online trader can rest assured that if they need help or have a question about their online activity, they can call any of our knowledgeable brokers **toll free at 800.821.4968**.
